Pre-owned Dennis Uniforms can be worn this year as we transition to only Lands' End uniforms the 26/27 school year. **Label all clothing with the student's name so that lost and found items can be easily identified and returned to the owner.**

### **PK2 - Fifth Grade**

All students are required to be in full uniform except on designated dress-down days. Only the items listed on the chart may be worn in the classroom, and they must be purchased at Lands End unless otherwise noted. PE uniforms for third through fifth grade students, on their designated PE days, may be worn the entire day. The uniforms must be in good condition with shirts tucked in. Students entering the classroom improperly dressed will receive a warning notice to be signed by the parent and returned to the classroom teacher. If a second violation of the dress code occurs, the student will be sent to the school office and remain there until arrangements can be made for the necessary item to be brought from home.

In addition to the school's dress code, Christ Church School requires that students properly maintain their general personal appearance. Students will be expected to appear for school and school-related events having practiced proper hygiene through regular bathing, appropriate oral hygiene, use of deodorant or antiperspirant where appropriate, clean and trimmed fingernails, and hair that is neat and properly managed. Christ Church School does not require any student to wear his or her hair in a particular style, but will require that hair be maintained in a manner that prevents any interference or disruption of school activities and, if long, is tied back when necessary to prevent any safety issue.

Makeup is not permitted. Chap Stick and lip gloss should be natural colors. Students must not wear scarves, hats, bandanas or oversized hair accessories as they are not part of the school uniform. Hair accessories must be small, modest and in school uniform colors. Discretion must be used in wearing fad accessories. It is strongly recommended that students not wear valuable jewelry to school. We appreciate your cooperation in this matter.

### **Backpacks**

Backpacks are important to the school home connection allowing students to carry items to and from school. Backpacks should be free of accessories (hanging charms, stuffed animals, etc.) as they can be a safety hazard in the classrooms with backpack storage and during arrivals and dismissals.

### **Outdoor Activity Dress Code**

Students are permitted to wear sunglasses and school-appropriate hats when on the playground and for physical education classes held outside. All hats should be labeled with the student's name. Students may not wear each other's hats.

### **Winter Wear Outside the Classroom**

When the temperature is to remain sixty degrees or below, students may wear coats or raincoats of their choice **to and from school and outside the classrooms**. Please refer to the uniform options available online through Lands' End for winter wear inside the classrooms.
